Re: Public Records Response for Reference # P190450-060619

Dear JPat Brown:

I write in response to your request of **06/05/2019**, attached hereto, seeking "All emails sent to and from the Cambridge Police Department and the Harvard Police Department from May 29th to June 5th, 2019." On 7/20/2019 I responded to your request with a cost estimate of \$125 for these records, and the City has since received your payment for this response.

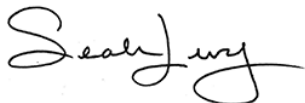

The City is treating your inquiry as a public records request pursuant to G.L. c. 66, § 10. Please find attached documents responsive to your request. Some information has been redacted, as this information is exempt from disclosure pursuant to Exemptions (c), (f), and (o) of the Public Records law. Specifically, for the following reason:

- 1) To protect the privacy of an individual – Exemption (c)
- 2) To protect confidential personnel information – Exemption (c)
- 3) To protect the privacy of a voluntary witness – Exemption (f)
- 4) To protect the personal cell number of a City employee – Exemption (o);

You have a right to appeal this denial to the Supervisor of Public Records under 950 CMR § 32.08(1) and have a right to seek judicial review of an unfavorable decision by commencing a civil action in the superior court.

These documents have been produced in two formats: 1) A PDF portfolio, which contains all responsive emails, eleven of which have redactions in either the body or the attachment, 2) a ZIP file which contains the emails which did not need redactions in their original MSG format. Two emails in MSG format have had attachments removed as they required redactions. These emails are present with their attachments in the PDF format. Finally, there is one JPG image file attached, which belongs with the email from Michael Giacoppo, dated 7/4/2019, 8:08 am.

Sincerely,

A handwritten signature in black ink, appearing to read "Seah Levy". The signature is fluid and cursive, with the first name "Seah" being more prominent than the last name "Levy".

Seah Levy

Public Records Access Officer
